FROM THE DEAN

As I bring you my first greeting as your Dean, I am filled with excitement and anticipation of the year ahead. Not only has our Sub-Dean, Julie Tagen, planned a great line-up of events, but also coming off the outstanding Hartford Convention, I'm beginning to catch the enthusiasm for "our" 2007 Convention.

The goal that AGO National has set for this coming year is "Each One, Reach One." If our organization is to stay alive and indeed flourish in the coming years, we all must do our part. The emphasis at this time is on membership. YOU are the "Each One"...and ANYONE you can think of who should be in AGO, is the targeted "Reach One." You may be busy, you may be retired, but whatever your circumstances, I really need your help by becoming one of the "Each One." If you will make just one phone call, write one note of invitation, or offer a ride to a chapter event to just one person, you will have made a great contribution to our chapter. I encourage you to challenge yourself by finding just one person you can bring into our chapter membership. YOU can make a difference to our profession, our organization, and most important, to another person.

Please join me in giving "Each One, Reach One" the highest priority this year!

Martha

CONGRATULATIONS

William Dinneen received the Anna Fiore-Smith Award for lifelong contributions to organ appreciation and the education of organists throughout the area. He was honored at the June meeting by his friends and colleagues. His recitals and classes have inspired generations of organists and music lovers. Congratulations, Bill, for this well deserved recognition.
